MEET YOUR FUTURE WORKFORCE

We're excited to offer your business the chance to play a leading role in a landmark event for our region's young people – the second Tees Skills Careers Fair, taking place on Thursday, December 3, 2026, at Middlesbrough FC's Riverside Stadium.

This major event will bring together ambitious young people aged 14-18 from across the Tees Valley with the employers, training providers and industry leaders who can help shape their future.

It's a fantastic opportunity to meet your future workforce, raise your profile and send a powerful collective message: that our young people can stay, live, study, work and thrive right here in the Tees region.

EMPLOYER:

"I was impressed with the event and really enjoyed taking part, both as a local employer and as a guest speaker. The sessions were really well attended and the young people engaged and attentive. We even had a couple of boys bring their CVs. Great work, *Tees Business*!"
